(Actual recorded chat conversation)

Dr16506: hello all

Dr16506: mornin for me  
Dr16506: we are in Detroit Redford MI, USA  
Dr16506 : we picked this empty studio before xmas  
Dr16506: around fall  
Dr16506 : its a studio that would be in Metro Detroit, To match the What if  
Dr16506: now....we will decorate it and make it available for surreal public, IMVU and also promo our digital real services.  
Dr16506: lets change her new outfit and be realistic  
Dr16506: right now, its winter  
Dr16506: ok thats better, she has her coat on, my daily hair, jeans, and norm shoes  
Dr16506: So far, we added the two chairs and mags for the entrance  
Dr16506: well...in real time, its coffee hour at the home office....6-7a...hmmm, u can come along via a room change.  
Dr16506: ok...better  
Dr16506: and close ups are good  
Dr16506: smile  
Dr16506: now...i love...love coffee  
Dr16506: back soon

***part II of our \*Love and Divinity Builds the Digital Studio\* (title may change)***

Dr16506 : we are back and drinking coffee, part II within our show  
Dr16506: lol  
Dr16506: we did good, at LDM, the surreal and real theme, has been working for about 2 yrs, this yr  
Dr16506: i love the match up  
Dr16506: at times, and this is from an old coffee meeting in Det. Redford...the real life, every day, can appear surreal madness  
Dr16506: so why not, use the benefits of surreal 3D, animation life  
Dr16506: to me, it makes sense.  
Dr16506: for gamers, its easy and daily life when u game a lot. virtual worlds are exts. of gaming  
Dr16506: but it becomes, social, dating, love, and work life for real  
Dr16506: we will be back....coffee time....

more coming soon.
